

Ouch! is an 7/8 piece covers/party band of experienced musicians. The band just loves playing live and is available for parties, weddings, corporate and outdoor events. The set list has something for everybody with pop, rock and soul music from the present day back to the 1960s. The band members are based in Oxford and Bristol but are very happy to travel for gigs.

The Ouch! set has many dance songs, smoochy numbers, some classic rock and loads of well known hits that everyone will enjoy singing along to. More great numbers are being added all the time.
